

DISPLAY SOLUTIONS

2022 PRODUCT CATALOGUE

CORPORATE

With original display solutions and meticulous production that prioritizes quality, ART Endüstri is always with its partners.

ART Endüstri, founded in Konya Büsan Private Industrial District in 2011, continues to grow with the strong solutions it offers to meet its partners' particular demands. Operating in areas from ceramic tile exhibiting solutions to requirements of sleep centers, ART Endüstri is strengthened by the long-term relations it cultivates with its partners. ART Endüstri, that believes in generating sustainable solutions and being sincere and honest in business partnerships, thinks that the only way to make a difference in its field is to truly embrace these principals. Knowing that secure expansion is only possible by high satisfaction of partners, ART Endüstri continues to develop with its highly qualified team aiming to provide better and better service all the time.

The Areas We Generate Solutions:

- * Ceramic Tile Display*
- * Mattress Display*
- * Pillow Display*
- * Sleep Center Promotional Display*
- * Curtain Display*
- * Parquet Display*

With its partnership with KONAL Group -a well-established company in Konya in 2015, ART Endüstri expanded its product scale and production line.

ART Endüstri and KONAL gathered the brands that emerged as a result of this industrial cooperation under the roof of ART Endüstri. Odoor, a fire safety equipment production brand, operates in this organization as well.
